

It's time Judges and Masters were made accountable

Repossessions, bankruptcies and Asset Stripping

Do your research on the Judge who ordered this on your case

Here is a true example

### **Nottingham Court**

**Struck out an appeal re repossession - stating 'abuse of process'. Failed to state why and answer numerous requests to do so - the bank in this case had submitted loan agreements with copied and pasted signatures**

Judge Donella Nicolle is a director of a Property Management Company , allegedly dealing with repossessed properties and financial institutions, ie - banks.

Judge Donella Nicolle, has a relationship with a solicitors firm - Flint Bishop, of whom their biggest client is allegedly the Cooperative Bank

The said Property Management Company being - Casperina Properties Ltd. Judge Donella Nicolle's husband, Jason Nicolle, is also a director of this company.

### **The Royal Courts of Justice, Queens Bench, London.**

### **See below**

**The Supreme Court have stated that 'to strike out; and CPR 3.4 is a draconian measure and must only be used in rare cases'**

Did you know that the UK Home Office signed a concordat with The Holy See that all UK Acts and Statutes must abide by the Codes of Canon Law?

**Canon 1448 §1 The judge is not to undertake the hearing of a case in which any personal interest may be involved by reason of consanguinity or affinity in any degree of the direct line and up to the fourth degree of the collateral line, or by reason of guardianship or tutelage, or of close acquaintanceship or marked hostility or possible financial profit or loss.**

### **Research**

Quite simply do your some of your research on corrupt Judges by using genealogy sites - ie Ancestry.com

Research these and similar sites as if you were looking for a relative

Find out who they are married to, who their sons, daughters are and so forth

Then check their associated family out on Companies House

**Good Luck and please report your findings back to us along with evidence - as so far the Judicial Conduct Investigations Office have failed to respond on the above named Judge and Master**
