Subject: Property ownership of the Young estate.

Dear Briony,

As I know there is a land registry investigation currently being held.

Please see the list of my properties that have been unlawfully stolen, with postcodes including two attachments at the end of this email showing our legal and beneficial ownership of these properties through the companies in 2005 and 2006 and onwards when they were stolen.

I do not expect any deletion or shredding of any of these original Land registry documents dating back to the time when the legal and beneficial ownership was unlawfully stolen below. please confirm?
